ity to Increase Fares. )

Application No. 638

Docket No. 221

On June 22, 1970, Alexandria, Barcroft, and Washington Transit Company (A. B. & W.) filed its WMATC Tariff No. 40 setting forth a new schedule of increased fares and a new fare zone structure. After suspension of the tariff, regular formal public hearings were scheduled and are currently in process.

In accord with the Commission's desire to hear from the carrier's patrons, and realizing that attendance and participation in regular formal daytime hearings can work a hardship on commuters, a public hearing has been scheduled for Wednesday, September 23, 1970, at 8:00 P.M., in the City Council Chambers of the Alexandria City Hall. The purpose of this session will be to receive the views of affected members of the public.

THEREFORE, IT IS ORDERED:

1. That a hearing on A. B. & W.'s proposed fare increase be held on Wednesday, September 23, 1970, at 8:00 P.M., in the City Council Chambers of the Alexandria City Hall, 125 North Royal Street, Alexandria, Virginia.

2. That A. B. & W. post notice in its buses of the time and place of hearing.

3. That A. B. & W. publish notice of the time and place of hearing in a newspaper of general circulation in the Metropolitan District, at least ten (10) days prior to said hearing.
